

SUBMISSION GUIDELINES
For Your 2010 Annual Convention Exhibitor/ Sponsor Page
On Colorado Water Congress Web Site

Send your page content (including maximum 500 words of text), as relates to your association with the 2010 CWC Annual Convention, in Microsoft Word.*

**Your embedded page formats, special fonts. etc. are optimally imported from Word documents.*

Submitted content will be contained within the central white area on your individual web page (please go to our home page at www.cowatercongress.org to preview the space available).

Provide any image files you want us to include in either .png (preferred) or .jpg format.

Please specify your preferred placement of any images you want to include on your page; we will do our best to accommodate you.

You may also provide us additional links (3 to 5) as needed, to include under "More Information" column at right on your web page. *Brief* titles for these links are recommended. If these are to be a *document* link, rather than link to a URL, please send *only* as pdf files.

Send your content via email to: events@cowatercongress.org
