## **Committee Information**

People participating in the Federal Affairs Committee are sponsored by organizations that are Sustaining Members of the Colorado Water Congress that pay at least \$500 in annual dues.

The Federal Affairs Committee annual fee is \$150 per person on the committee.

Sponsoring organizations may designate as many alternate members as they desire.

The annual committee fee is for the period of July 1 through June 30.

An invoice will be sent upon verification of sponsoring organization information.

Payment is due no later than August 31 (except for new committee members). A \$50 surcharge will be assessed after that date.

An individual may have more than one sponsoring organization. If representing more than one organization, please note your preference on the application form under the comments section.

The sponsoring organization must be current in their Colorado Water Congress dues.

The Federal Affairs committee fee must be paid prior to participation on the committee.

Committee participation and voting procedures are set forth in the Committee Rules.

The purpose of the committee fee is to cover the costs for preparation of supporting materials, a portion of the annual dues to the National Water Resources Association, and audio conferencing.
