

Fishing Day at Upper Fish Creek Falls

What: Summer Water Congress POND Networking Activity

Why: Enjoy a mellow hike, some fun networking, and a freshwater chat as we meander up the trail toward Upper Fish Creek Falls.

When: Wednesday, August 23, 2023 – **meet in hotel lobby at 1 pm. Leave time ~1:30 pm.**

Cost and Transportation: \$5 per car. And if you are willing lead a carpool group, please let the POND team know.

Details: Clear and fresh high alpine water roars down Fish Creek Canyon, spilling over the magnificent 280-ft Fish Creek Falls, one of the most popular destinations around Steamboat Springs.

Just minutes from downtown Steamboat, wilderness comes to life with a splash at the legendary falls, easily accessible for the entire family. A short 1/4-mile walk down a gravel path is a pristine view of the lower falls.

For the more adventurous, we can hike to the Upper Fish Creek Falls for a 2 mile (one way) out and back. Make sure to bring water, a snack, and get ready to enjoy some fresh air, great company, and some amazing views!

Sign-up: RSVP for the hike by emailing Chris Wolff at wolff@quantifiedventures.com or sign up at the POND table the day of the event.
